PART III

ITEM 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE

Our bylaws permit our Board of Directors to establish by resolution the authorized number of directors. Our Board of Directors currently consists of four directors, who are divided into three classes with staggered three-year terms.

All of our directors bring to our Board of Directors a wealth of executive leadership experience derived from their service as corporate executives as well as service as directors on other boards. When evaluating director candidates, the Nominating and Governance Committee takes into account all factors it considers appropriate, which include (i) ensuring that the Board of Directors, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, and financial expertise (including expertise that could qualify a director as a “financial expert,” as that term is defined by the rules of the SEC), and (ii) minimum individual qualifications, including strength of character, mature judgment, familiarity with the Company’s business and industry and independence of thought. The Nominating and Governance Committee also considers geographical, cultural, experiential and other forms of diversity when evaluating director candidates. In addition, the Nominating and Governance Committee also may consider the extent to which the candidate would fill a present need on the Board of Directors. CORPORATE GOVERNANCE

Director Independence

Our Board of Directors undertook a review of the independence of each director and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Board of Directors determined that Messrs. Mikolajczyk, Gramm and Ms. Westphal are independent under the standards for director independence adopted by the Board of Directors and are “independent directors” as defined under the rules of the NASDAQ Stock Market. Based on the foregoing, our Board of Directors has concluded that a majority of our Board of Directors has been independent during 2020, as required by the rules of the NASDAQ Stock Market. The standards for director independence adopted by the Board of Directors are available for review on our website www.rubicontechology.com.

Board of Directors Leadership Structure

Our Board of Directors is led by an independent Chairman, Mr. Mikolajczyk. The Board has determined that having an independent Chairman is in the best interest of the Company’s stockholders at this time and adopted a formal policy to that effect on December 14, 2016. The Board believes that this leadership structure is appropriate because it strikes an effective balance between management and independent director participation in the Board process. The independent Chairman role allows our Chief Executive Officer to focus on his management responsibilities in leading the business, setting the strategic direction of the Company and optimizing the day-to-day performance and operations of the Company. At the same time, the independent Chairman can focus on Board leadership, providing guidance to the Chief Executive Officer and the Company’s overall business strategy. The Board believes that the separation of functions between the Chief Executive Officer and Chairman of the Board provides independent leadership of the Board in the exercise of its management oversight responsibilities, increases the accountability of the Chief Executive Officer and creates transparency into the relationship among executive management, the Board of Directors and the stockholders. The independent Chairman regularly presides at executive sessions of the independent directors, without the presence of management.

Board of Directors Oversight of Risk

Our executive management team is responsible for our day-to-day risk management activities. The Board of Directors oversees these risk management activities, delegating its authority in this regard to the standing committees of the Board of Directors. The Audit Committee is responsible for discussing with executive management policies with respect to financial risk and enterprise risk management. The Audit Committee also oversees the Company’s corporate compliance programs. The Compensation Committee considers risk in connection with its design of compensation programs for our executives. The Nominating and Governance Committee reviews the Company’s corporate governance principles and their implementation. Each committee regularly reports to the Board of Directors. In addition to each committee’s risk management oversight, the Board of Directors regularly engages in discussions of the most significant risks that the Company is facing and how these risks are being managed.

The Board of Directors believes that each committee’s risk oversight function, together with the efforts of the full Board of Directors and the Chief Executive Officer in this regard, enables the Board of Directors to effectively oversee the Company’s risk management activities.

Committees of the Board of Directors and Meetings

Our Board of Directors has established three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. Described below are the membership and principal responsibilities of each of the standing committees of the Board of Directors, as well as the number of meetings held during 2020. Each of these committees is composed entirely of non-employee directors who have been determined by our Board of Directors to be independent under the current requirements of the NASDAQ Stock Market and the rules and regulations of the SEC. Each committee operates under a charter approved by the Board of Directors setting out the purposes and responsibilities of the committee. All committee charters are available for review on our website, www.rubicontechology.com.

The Board of Directors held eight meetings during 2020. Each of our directors attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and the committees on which he or she served during 2020. Our non-employee directors meet regularly without our Chief Executive Officer present.

Code of Ethics

We have adopted a Code of Ethics that applies to all of our employees, officers and directors. If you would like a copy our Code of Ethics, write to Investor Relations, Rubicon Technology, Inc., 900 East Green Street, Bensenville, Illinois 60106, and a copy of the Code of Ethics will be provided to you, free of charge. Policies and Procedures Governing Director Nominations

The Nominating and Governance Committee considers candidates for nomination to the Board of Directors from a number of sources, including recommendations by current members of the Board of Directors and members of management. Current members of the Board of Directors are considered for re-election unless they have notified us that they do not wish to stand for re-election. The Nominating and Governance Committee will also consider director candidates recommended by our stockholders, although a formal policy has not been adopted with respect to consideration of such candidates because stockholders may nominate director candidates pursuant to our bylaws. Stockholders desiring to submit recommendations for director candidates must follow the following procedures:

- The Nominating and Governance Committee will accept recommendations of director candidates throughout the year; however, in order for a recommended candidate to be considered for nomination for election at an upcoming annual meeting of stockholders, the recommendation must be received by the Acting Secretary of the Company not later than the close of business on the 60th day nor earlier than the close of business on the 90th day prior to the anniversary date of our most recent annual meeting of stockholders, unless the date of the annual meeting is more than 30 days before or more than 60 days after the first anniversary of the preceding year's annual meeting, in which case notice must be delivered not earlier than the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to such annual meeting or the 10th day following the day on which we first publicly announce the date of such annual meeting. If the number of directors to be elected to the Board is increased and the Company does not make public announcement naming all of the nominees for director or specifying the size of the increased Board at least 70 days prior to the first anniversary of the preceding year's annual meeting, a stockholder's nomination notice will also be considered timely with respect to nominees for any newly created positions if such notice is delivered to the Acting Secretary not later than the close of business on the 10th day following the day on which such public announcement is first made by the Company.
- A stockholder making the recommendation must be a stockholder of record at the time of giving of notice, be entitled to vote at the meeting and comply with the notice procedures set forth in the bylaws. Furthermore, this recommendation must be in writing and must include the following initial information: (i) as to each person whom the stockholder proposes to nominate for election as a director, all information relating to such person that would be required to be disclosed in proxy solicitations for election of directors in an election contest, or would otherwise be required, in each case pursuant to Regulation 14A under the Securities and Exchange Act of 1934, as amended (the "Exchange Act") and Rule 14a-11 promulgated under the Exchange Act, including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; and (ii) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made, the name and address of such stockholder and beneficial owner, and the class and number of shares of the Company that are owned beneficially and of record by such stockholder and beneficial owner. The Nominating and Governance Committee may subsequently request additional information regarding the candidate.
- Recommendations must be sent by U.S. Mail, courier or expedited delivery service to Timothy E. Brog, Acting Secretary, Rubicon Technology, Inc., 900 East Green Street, Bensenville, Illinois 60106.

In evaluating nominees for director, the Nominating and Governance Committee is guided by, among other things, the objective that the Board of Directors be composed of qualified, dedicated and highly regarded individuals who have experience relevant to our operations and who understand the complexities of our business environment. The Nominating and Governance Committee may also consider other factors such as whether the candidate is independent under the standards adopted by the Board of Directors and within the meaning of the listing standards of the NASDAQ Stock Market, and whether the candidate meets any additional requirements for service on the Audit Committee. The Nominating and Governance Committee does not intend to evaluate candidates recommended by stockholders any differently than other candidates.

Stockholder Communications with the Board of Directors

Interested parties, including stockholders, may communicate by mail with all or selected members of the Board of Directors. Correspondence should be addressed to the Board of Directors or any individual director(s) or group or committee of directors either by name or title (for example, “Chairman of the Nominating and Governance Committee” or “All Non-Management Directors”). All correspondence should be sent c/o Timothy E. Brog, Acting Secretary, Rubicon Technology, Inc., 900 East Green Street, Bensenville, Illinois 60106. The Acting Secretary will, in consultation with the appropriate members of the Board, as necessary, generally screen out communications from stockholders to identify communications that are (i) commercial, charitable or other solicitations for products, services and funds, (ii) matters of a personal nature not relevant for stockholders, or (iii) matters that are of a type that render them improper or irrelevant to the functioning of the Board and the Company.

Attendance at Annual Meeting

Directors are encouraged, but not required, to attend our annual stockholders’ meeting. All directors attended the 2020 Annual Meeting of Stockholders.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who own more than 10% of our common stock to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and to provide us copies of these reports. Based solely on a review of the copies of these reports furnished to us and written representations that no other reports were required to be filed, we believe that all such filings applicable to our officers, directors and beneficial owners of greater than 10% of our common stock were made timely during the fiscal year ended December 31, 2020.

Incentive bonuses

The primary objectives of our incentive bonus plan are to provide an incentive for superior work, to motivate our executives toward even higher achievement and business results, to tie our executives' goals and interests to ours and our stockholders' and to enable us to attract and retain highly qualified individuals. These targets are typically set in the first three months of the year. The targets under our objective incentive bonus plan are mutually agreed upon by the independent directors and each of the executives.

Discretionary Incentive bonuses

In 2019, the Compensation Committee approved a bonus plan for some of our employees in key areas of operations. Accordingly, in 2019 Ms. Slavutsky received a cash bonus of \$13,750. Mr. Brog did not receive a discretionary bonus in 2019. Mr. Brog received a discretionary bonus of \$30,000 in 2020.

Objective incentive compensation

In 2008, our Board of Directors adopted a policy generally to grant equity awards to executives once per year to the extent equity awards are to be granted during such year (except in the case of newly hired executives, as described below). With respect to newly hired executives, our practice is typically to make equity grants at the first meeting of the Board of Directors following such executive's hire date. We do not have any program, plan or practice to time equity awards in coordination with the release of material non-public information.

Pursuant to Mr. Brog's employment agreement, he was eligible for a bonus based upon certain objectives set forth by the Compensation Committee and agreed to by him.

2020 Goals

In 2020, Mr. Brog was eligible to earn up to 42,067 shares (the "2020 Objective Bonus Shares") of the Company's common stock if certain goals were achieved. He was also eligible for a bonus solely at the discretion of the Board.

Similar to Mr. Brog's 2019 goals, his 2020 goals included targets that the Board believed was critical to the long-term success of the Company Specifically, growth of the per-share value of the Company's cash and assets, and progress towards a value-added acquisition. There were no set formula to weight the importance of each target -- the Board considered Mr. Brog's performance in relation to both targets to determine the amount of his bonus.

Target #1: Progress towards an acquisition

The Board wished to incentivize Mr. Brog to further develop the Company's acquisition pipeline, with the ultimate goal of finding suitable acquisition targets and eventually closing a transaction. To achieve Target #1, the Board wanted to see material progress from Mr. Brog in improving deal-flow and allocating more time to the search for acquisitions.

Target #2: 2020 Cash Per Share

Similar to 2019, the Board also wished to incentivize Mr. Brog in his efforts to preserve capital, generate cash from the core business, and create additional value through share repurchases. Because the Company has begun to deploy capital into share repurchases, the Board believes it should focus on the growth in value *per share*.

As of December 31, 2019, Rubicon's net short-term investments, cash and cash equivalents and restricted cash were as follows:

Cash and cash equivalents:	\$	8,709,000
Restricted Cash:	\$	171,000
Short-term investments:	\$	15,458,000
Total Cash:	\$	<u>24,338,000</u>

Rubicon had 2,702,171 shares outstanding on December 31, 2019.

The term "Total Cash" was defined as cash and cash equivalents, restricted cash and short-term investments. The total current liabilities as of December 31, 2019

were \$1,556,000 (“TCL”). The difference between the Total Cash (\$24,338,000) and the TCL (\$1,556,000) as of December 31, 2019 was \$22,782,000.

“Liquid Value per Share” was defined as Total Cash minus TCL, divided by shares outstanding. At December 31, 2019, Liquid Value per Share was \$8.43.

If the Liquid Value per Share as of December 31, 2020 was equal to or greater than \$9.54, Mr. Brog would have achieved Target #2. Liquid Value per Share would be adjusted for any unusual items that occur in 2020.

2019 Goals

In 2019, Mr. Brog was eligible to earn up to 40,500 shares (the “2019 Objective Bonus Shares”) of the Company’s common stock if certain goals were achieved. While Mr. Brog’s 2018 goal for earning his bonus was based solely on preserving and building capital through liquidation of assets, management of short-term investments, and reductions of liabilities, his 2019 goals included several specific, and more qualitative, targets that the Board believed were critical to the long term success of the Company. There is no set formula to weight the importance of each target -- the Board will consider Mr. Brog’s performance in relation to all three targets when determining the amount of his bonus.

Goal 1: Progress towards an acquisition

The Board wished to incentivize Mr. Brog to further develop the Company’s acquisition pipeline, with the ultimate goal of finding a suitable acquisition target and eventually closing a transaction. To achieve Goal 1, the Board wanted to see material progress from Mr. Brog in improving deal-flow and allocating more time to the search for acquisitions. A signed purchase agreement or the actual consummation of an acquisition would satisfy Goal 1.

Goal 2: Signed purchase agreements for the Malaysia properties

The Board believed the Company’s assets in Malaysia continued to be an unwanted distraction from Rubicon’s domestic operations. Mr. Brog would achieve Goal 2 by negotiating and signing a purchase agreement, subject to Board approval, for one or both of the Company’s Malaysia properties. Material progress in finding a buyer for the properties would also be considered by the Board for achieving Goal 2.

Goal 3: 2019 Year-End Cash

Similar to in 2018, the Board wished to incentivize Mr. Brog in his efforts to preserve capital.

As of December 31, 2018, Rubicon’s net short-term investments, cash and cash equivalents and restricted cash were as follows:

Cash and cash equivalents:	\$ 11,241,000
Restricted Cash:	\$ 169,000
Short-term investments:	<u>\$ 14,356,000</u>
Total:	<u>\$ 25,766,000</u>

The term “Total Cash” was defined as cash and cash equivalents, restricted cash and short-term investments. The total current liabilities as of December 31, 2018 were \$1,194,000 (“TCL”). The difference between the Total Cash (\$25,766,000) and the TCL (\$1,194,000) as of December 31, 2018 was \$24,572,000.

If the difference between the Total Cash and the TCL as of December 31, 2019 (“2019 YE Cash”) was equal to or greater than \$25,000,000 then Mr. Brog would satisfy Goal 3.

The 2019 YE Cash would be adjusted for any unusual items that occur in 2019.

Severance and change in control arrangements

Payments upon termination are described below under “Termination of Employment or Change in Control”.

Timothy Brog	—	—	—		14,098 ⁽¹⁾	127,587		
	—	—	—		30,902 ⁽³⁾	279,663		

(1) The award of 14,098 RSUs vests in the amounts set forth below on the first date the 15-trading day average closing price of the Company’s common stock equals or exceeds the corresponding target price of \$11.00 for the common stock before May 12, 2021, provided that Mr. Brog remains employed with us through the applicable vesting dates. This award did not vest in 2020.

(2) The market value of unvested stock awards is calculated by multiplying the number of unvested RSUs by \$9.05, the closing price of the Company’s common stock on The NASDAQ Stock Market on December 31, 2020.

(3) The award of 30,902 RSUs vest in the amounts set forth below on the first date the 15-trading day average closing price of the Company’s common stock equals or exceeds the corresponding target price for the common stock before May 12, 2021: 902 - \$11.00, 15,000 - \$12.50 and 15,000 - \$14.00, provided that Mr. Brog remains employed with us through the applicable vesting dates. No tranches vested in 2020.

Mr. Brog's Severance Terms. Pursuant to the terms of his employment agreement, if Mr. Brog's employment is terminated by us without "cause" or if he resigns for "good reason," he will receive a continuation of his annual base salary for twelve months thereafter and all of his outstanding RSU awards will become vested, provided that Mr. Brog delivers a release of claims to the Company. In addition, he is entitled to receive any unused vacation pay, any bonus earned prior to the termination date that remained unpaid, and continuation of his medical and welfare benefits for a period of twelve months thereafter. If within two years after a "change in control," as defined in the 2016 Plan and summarized below, we terminate Mr. Brog without cause or he resigns for good reason, he will be entitled to a lump sum payment equal to 100% of his annual base salary in lieu of the salary continuation described above.

For purposes of Mr. Brog's agreement (i) "cause" generally is defined as willful misconduct materially and adversely affecting us; theft, fraud, embezzlement or similar behavior; indictment or conviction of a felony; or willfully failing to substantially perform the material duties of his position, other than failure resulting from incapacity due to physical or mental illness, following a demand for performance delivered by the Board of Directors and a specified cure period of not less than 10 days; and (ii) "good reason" generally is defined as a material reduction in base salary or benefits; substantial diminution in Mr. Brog's duties, responsibilities or title, if uncured by us within 30 days of receipt of notice from Mr. Brog; or Mr. Brog is required by the Board to work in the Company's office located in any place other than in the New York metropolitan area for more than 12 days in any one month in order to maintain employment with the Company.

Restrictive Covenants. Each executive's employment agreement contained or contains customary non-competition and non-solicitation covenants. These restrictions survive for a period of 12 months after the executive's resignation or termination, and in the event of a breach of his or her employment agreement, the period is automatically extended by the period of the breach.

Equity Compensation Awards. The equity compensation awards granted under the 2016 Plan or 2007 Plan may become vested upon a change in control. The 2016 and 2007 Plans provide that in the event of "change in control," as defined in the 2016 and 2007 Plans, each outstanding award will be treated as the Compensation Committee determines, including that the successor corporation or its parent or subsidiary may be required to assume or substitute an equivalent award for each outstanding award. The Compensation Committee is not required to treat all awards similarly. If there is no assumption or substitution of outstanding awards, the award recipient will fully vest in and have the right to exercise all of his or her outstanding options and stock appreciation rights, all restrictions on restricted stock and RSUs will lapse and all performance goals or other vesting requirements for performance awards will be deemed achieved at 100% of target levels and all other terms and conditions will be deemed met. If an option or stock appreciation right is not assumed or substituted, the Compensation Committee will provide notice to the award recipient that the option or stock appreciation right will be fully vested and exercisable for a period of time determined by the Compensation Committee in its discretion, and the option or stock appreciation right will terminate upon the expiration of such period. Notwithstanding the Compensation Committee's general discretionary authority described above, the individual award agreements may provide for the vesting of such awards upon the occurrence of a change in control. Under the 2016 and 2007 Plans, a "change in control" is deemed to occur when (i) a person becomes the beneficial owner (directly or indirectly) of at least 50% of the voting power represented by the Company's outstanding voting securities, (ii) the Company sells or disposes of all or substantially all of its assets, (iii) the composition of the Board of Directors changes within a two-year period resulting in fewer than a majority of the directors being "incumbent directors" (as defined in the 2016 and 2007 Plans), or (iv) a merger or consolidation of the Company is consummated with any other corporation resulting in the voting securities of the Company outstanding immediately prior thereto representing (either by remaining outstanding or by being converted into voting securities of the surviving entity or its parent) less than 50% of the total voting power represented by the voting securities of the Company or such surviving entity or its parent outstanding immediately after such merger or consolidation.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Unless otherwise noted, the following table sets forth, as of April 30, 2021, the beneficial ownership of our common stock by:

- each of our named executive officers;
- each of our directors, including the director nominees; and
- all of our named executive officers and directors as a group.

Beneficial ownership is determined in accordance with the rules of the SEC. Except as described below, in computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to RSUs, options or warrants held by that person that are currently exercisable or exercisable within 60 days of April 30, 2021 are deemed outstanding for such person, but are not deemed outstanding for computing the percentage ownership of any other person. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment

power with respect to such securities. Except as otherwise indicated, all of the shares reflected in the table are shares of common stock and all persons listed below have sole voting and investment power with respect to the shares beneficially owned by them, subject to applicable community property laws. Percentage of beneficial ownership is based on 2,438,855 shares of common stock outstanding as of April 30, 2021. ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Policy and Procedures for Review, Approval or Ratification

We recognize that transactions between the Company and related persons present a potential for actual or perceived conflicts of interest. Our general policies with respect to such transactions are included in our Code of Ethics which is administered by our Audit Committee. All employees and members of our Board of Directors agree to be bound by the Code of Ethics. As a supplement to the Code of Ethics, the Audit Committee adopted a written policy setting out the procedures and standards to be followed for the identification and evaluation of “related party transactions.” For purposes of the policy, a related party transaction is any transaction or series of related transactions in excess of \$120,000 in which we are a party and in which a “related person” has a material interest. Related persons include our directors, director nominees, executive officers, beneficial owners of 5% or more of any class of our voting securities and members of their immediate families. The Audit Committee has determined that certain transactions are deemed to be pre-approved under this policy. These include (i) transactions with another company in which the related person’s only interest is as a director or beneficial owner of less than 10% of the equity interests in that other company and (ii) certain compensation arrangements that have either been disclosed in our public filings with the SEC or approved by our Compensation Committee.

We collect information about potential related party transactions in our annual questionnaires completed by directors, executive officers and certain beneficial owners of 5% or more of any class of our voting securities. Potential related party transactions are first reviewed and assessed by our Acting Secretary to consider the materiality of the transactions and then reported to the Audit Committee. If a related party transaction is identified during the year, it is reported promptly to the Audit Committee. The Audit Committee reviews and considers all relevant information available to it about each related party transaction. A related party transaction is approved or ratified only if the Audit Committee determines that it is in, or is not inconsistent with, our best interests and those of our stockholders and is in compliance with the Code of Ethics.

Director Independence

Our Board of Directors undertook a review of the independence of each director and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Board of Directors determined that Messrs. Mikołajczyk, Gramm and Ms. Westphal are independent under the standards for director independence adopted by the Board of Directors and are “independent directors” as defined under the rules of the NASDAQ Stock Market. Based on the foregoing, our Board of Directors has concluded that a majority of our Board of Directors has been independent during 2020, as required by the rules of the NASDAQ Stock Market. The standards for director independence adopted by the Board of Directors are available for review on our website www.rubicontechnology.com.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES

The Audit Committee of the Board of Directors has selected Marcum LLP (“Marcum”) to serve as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2021, and is submitting this matter to the stockholders for ratification at the Annual Meeting. Marcum has served as the Company’s independent registered public accounting firm since 2017.

Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of Marcum as our independent registered public accounting firm. However, the Board is submitting the selection of Marcum to the stockholders for ratification as a matter of good corporate practice. In the event the proposal to ratify the selection of Marcum is defeated, the adverse vote will be considered as a direction to the Board to select another independent registered public accounting firm for the next fiscal year ending December 31, 2022. However, because of the expense and difficulty in changing independent registered public accounting firms after the beginning of a year, the Board intends to allow the appointment of Marcum for the fiscal year ending December 31, 2021 to stand unless the Board finds other reasons for making a change.

Audit Fees

The aggregate fees billed by Marcum for audit services of the Company’s annual financial statements and review services of the Company’s quarterly financial statements for the fiscal year 2020 were \$153,954. The aggregate fees billed by Marcum for audit services of the Company’s annual financial statements and assistance with and review of SEC filings for the fiscal year 2019 were \$146,481.

Audit-Related Fees

There were no audit-related fees billed by Marcum in the fiscal years 2020 and 2019.

Tax Fees

There were no tax fees billed by Marcum in the fiscal years 2020 and 2019.

All Other Fees

There were no other fees billed by Marcum in the fiscal years 2020 and 2019 for any other services.

Pre-Approval Policy and Procedures

In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee is required to pre-approve all auditing services and permissible non-audit services, including related fees and terms, to be performed for the Company by its independent registered public accounting firm subject to the de minimis exceptions for non-audit services described under the Exchange Act, which are approved by the Audit Committee prior to the completion of the audit. In the fiscal years 2020 and 2019, the Audit Committee pre-approved all audit and non-audit services provided to the Company by its independent registered public accounting firm.
