**convertible PROMISSORY NOTE (the "Note")**

\$150,000.00

Date: July 13, 2021

FOR VALUE RECEIVED, the undersigned Maker, **BoxScore Brands, INC.**, a Delaware corporation (the "Maker" or the "Company"), promises to pay to the order of **Cobrador Multi Strategy Partners, LP** entity, (the "Holder"), the principal sum of One Hundred Fifty Thousand Dollars (US) (\$150,000.00) (the "Principal Amount"). Interest on the Note may be paid in cash or in shares of Common Stock (such amount to be converted at the Conversion Price (as defined below)). If interest on the Note is paid in cash, it will accrue at nine and a half (9.5%) percent per annum, compounding annually and computed on the basis of a 365-day year, on any outstanding balance on the Note, subject to adjustment as provided in the Note. If interest on the Note is paid in shares of Common Stock, it will accrue at fifteen (15%) percent per annum, compounding annually and computed on the basis of a 365-day year, on any outstanding balance on the Note, subject to adjustment as provided in the Note. It shall be the Buyer's option whether interest on the Note is paid in cash or in shares of Common Stock. Furthermore, if the Company is delinquent by more than 10 days in filing any filings or other documents required to be filed by the Securities Act of 1933 or the Securities Exchange Act of 1934, and in each case the rules and regulations promulgated thereunder, interest on the Note shall increase to fifteen (15%) percent per annum, compounding annually and computed on the basis of a 365-day year. Capitalized terms used by not defined herein shall have the meanings ascribed to them in that certain Securities Purchase Agreement, dated as of the date hereof, by and among the Company and each Buyer (as defined therein) party thereto.

On the Maturity Date (defined as 1,095 days from the date of the Note) the Principal Amount plus accrued interest shall be payable. On the Maturity Date, the Holder shall have the option of receiving the Principal Amount plus accrued interest (or any portion not previously converted) in cash or shares of Common Stock at a conversion price of \$0.05 per share (the "Conversion Price"). In addition, upon the date which shall be commence within ten (10) days after satisfaction of a Rule 144 Holding Period (the "144 Date"), for each period that shares of Common Stock trade a dollar volume equal to at least \$25,000 per day (such volume hereinafter referred to as the "Applicable Float") and the share price is greater than or equal to 250% of the Conversion Price for twenty (20) consecutive trading days (the "Measurement Period"), the Maker shall have the right to mandatorily convert a portion the Note into shares of Common Stock (the "Automatic Conversion"). Such portion of the Note that the Maker may convert pursuant to the preceding sentence shall equal up to 20% of the average Float per day, as calculated and averaged over the total number of days of the applicable Measurement Period.

If and whenever on or after the date of the Note, the Company issues or sells, or is deemed to have issued or sold, any shares of Common Stock (including the issuance or sale of shares of Common Stock owned or held by or for the account of the Company, but excluding shares of Common Stock deemed to have been issued by the Company in connection with any Excluded Securities (as defined in the Warrant) (the "Additional Shares") for a consideration per share (the "New Issuance Price") less than a price equal to the Conversion Price in effect immediately prior to such issue or sale or deemed issuance or sale (the foregoing a "Dilutive Issuance"), then immediately after such Dilutive Issuance, the Conversion Price then in effect shall be reduced to the New Issuance Price.

Notwithstanding anything to the contrary contained in this Note, this Note shall not be convertible by the Holder hereof, and the Company shall not affect any conversion of this Note or otherwise issue any shares of Common Stock pursuant hereto, to the extent (but only to the extent) that after giving effect to such conversion or other share issuance hereunder the Holder or any of its affiliates would beneficially own in excess of 4.99% (the "Maximum Percentage") of the Common Stock. To the extent the above limitation applies, the determination of whether this Note shall be convertible (vis-à-vis other convertible, exercisable or exchangeable securities owned by the Holder or any of its affiliates) and of which such securities shall be convertible, exercisable or exchangeable (as among all such securities owned by the Holder and its affiliates) shall, subject to such Maximum Percentage limitation, be determined on the basis of the first submission to the Company for conversion, exercise or exchange (as the case may be). No prior inability to convert this Note, or to issue shares of Common Stock, pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of convertibility. For purposes of this paragraph, beneficial ownership and all determinations and calculations (including, without limitation, with respect to calculations of percentage ownership) shall be determined in accordance with Section 13(d) of the Securities and Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder. The provisions of this paragraph shall be implemented in a manner otherwise than in strict conformity with the terms of this paragraph to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Maximum Percentage beneficial ownership limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such Maximum Percentage limitation. The limitations contained in this paragraph shall apply to a successor Holder of this Note. For any reason at any time, upon the written or oral request of the Holder, the Company shall within one (1) Business Day confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding, including by virtue of any prior conversion or exercise of convertible or exercisable securities into shares of Common Stock, including, without limitation, pursuant to this Note or securities otherwise issued. By written notice to the Company, any Holder may increase or decrease the Maximum Percentage to any other percentage specified in such notice; provided that (i) any such increase will not be effective until the 61st day after such notice is delivered to the Company, and (ii) any such increase or decrease will apply only to the Holder sending such notice and not to any other holder of Notes.

Other than in strict compliance with the foregoing, the

If Maker is in default, Maker also will pay reasonable costs and expenses of collection including, subject to any limits under applicable law, Holder's reasonable attorney's fees and legal expenses whether or not there is a lawsuit. If not prohibited by applicable law, Maker also will pay any court costs, in addition to all other sums provided by law.

This Note shall be senior secured indebtedness of the Company (senior to any unsecured or junior indebtedness of the Company), secured by a priority lien on all assets of the Maker and shall be pari passu with any other senior secured indebtedness of the Company. The Note may only be subordinated to any indebtedness the Maker incurs to banks, financial institutions, and/or institutions or non-commercial lenders; and further provided that, upon conversion of this Note into shares of Common Stock, the Conversion Shares held by Investors will bear no interest, will be unsecured, and will be subordinate in liquidation preference to: (i) any indebtedness the Maker incurs to banks, financial institutions and/or commercial or non-commercial lenders; and (ii) any preferred class(es)/series of securities authorized and issued by the Maker subsequent to the date of this Offering.
